

## DAMON JOHNSON

**PROFILE** I am studying a diploma of IT as a part of the Coder Academy 6 month full stack web development bootcamp. Prior to this I completed a bachelor of civil engineering at QUT and worked for two years as a geotechnical engineer.

**EDUCATION** **DIPLOMA OF IT MAJORING IN FULL STACK WEB DEVELOPMENT, CODER ACADEMY, BRISBANE 2022 - ONGOING**

**BACHELOR OF CIVIL ENGINEERING, QUEENSLAND UNIVERSITY OF TECHNOLOGY, BRISBANE 2018-2021**

With minors in environmental management and domestic construction

GPA: 5.70

**HIGHSCHOOL CERTIFICATE, XAVIER CATHOLIC COLLEGE, BALLINA 2014**

**SKILLS** Basic proficiency in CSS, HTML, Python, Javascript, Ruby, Markup  
Civil engineering, geotechnical engineering, environmental engineering  
Management of subcontractors in a construction environment  
Professional experience in complex problem solving  
Experienced in working in cross cultural environments  
Proficient across the following engineering software packages:  
Arcgis, QGIS, MIKE, AutoCAD, gINT, GeoStudio,  
Rocscience

**WORK HISTORY** **GEOTECHNICAL ENGINEER, CONSTRUCTION SCIENCES, BRISBANE, QLD**

Feb 2022 – Present

**GRADUATE GEOTECHNICAL ENGINEER, CONSTRUCTION SCIENCES, BRISBANE, QLD**

Nov 2021 – Feb 2022

**UNDERGRADUATE GEOTECHNICAL ENGINEER, CONSTRUCTION SCIENCES, BRISBANE, QLD**

August 2019 – Nov 2021

**SHED HAND, TAMEX TRANSPORT, BRISBANE, QLD**

May 2017 – September 2019

**CUSTOMER SERVICE, IGA, LENNOX HEAD, NSW**

February 2015 – February 2016

**COURIER DRIVER, WIZZ COURIERS, BALLINA, NSW**

March 2014 – January 2015

---

PROFESSIONAL  
RESPONSIBILITIES

Supervision and operation of geotechnical drilling rigs  
Supervision of geotechnical site works including trenching,  
earthworks, site investigations, slope remediation and piling  
Conducted field groundwater investigations including hydraulic  
conductivity tests  
Geotechnical and environmental sampling  
Slope stability modelling  
Project management and delivery of small geotechnical projects  
Prepared engineering reports and borehole logs for review by senior  
engineers  
Acted as point of liaison for contractors to organise consultancy  
services and site visits  
Acted as engineer during geotechnical investigation and  
slope remediation works

---

AWARDS

**2021 – PROJECT OF THE MONTH**

Received the national project of the month award within Construction Sciences for work  
as the site engineer for the \$400k geotechnical investigation for Queensland Rail's West  
Moreton Bridge Renewal Project.

**2020 - UNIVERSITY DEAN'S LIST**

QUT Dean's List of students with excellent academic performance

**2019 - NEW COLOMBO MOBILITY SCHOLARSHIP**

Received the New Colombo mobility scholarship to participate as a student engineer  
In the Engineer's without Borders' Cambodian Humanitarian Design Summit, 2019.  
Worked in a small team with the aim to reduce the environmental and health impacts  
of waste management practices in a rural Cambodian community.
